Time: 17:50

DECISION

The Stewards, having received a report from the Chief Scrutineer, heard from the Competitors' representative concerned, and examined (video) evidence, have considered the following matter and determine the following.

No 161 – Christopher Brück

Competitor KKrämer Racing

Time after the Race

Session Race

Alleged Offence Breach of Art. 37.2 Supplementary Regulations (Parc Fermé prescriptions after the finish flag)

Decision **No further action**

Reason After evaluating all the information and possible evidence, the Stewards found that the Driver and Competitor was found not to be in breach.
The Driver stopped the car in the gravel bed for medical reasons in the down speed lap after the finish flag in DUNLOP corner, and left the car.
The vehicle was loaded by the organizer's towing vehicles and transported to the Parc Fermé. There it stood under Parc Fermé regulations without unauthorized work being able to be carried out on the car.
The Stewards accepted this procedure due to the Drivers conditions in this situations, after receiving confirmation from the organizer that the car has been taken to the park fermé.

The Competitor is reminded that he has the right to appeal certain decisions of the Stewards, in accordance with article 15 of the FIA Int. Sporting Code and art. 28 DMSB General Event Regulations, within the applicable time limits.
