

INTERCONTINENTAL

GRAPHICAL CHARTER 2026

SRO
MOTORSPORTS GROUP

SRO'S GLOBAL GT3 ENDURANCE SERIES

DRIVER OVERALLS

INTERCONTINENTAL GT CHALLENGE PATCH

Space for the Intercontinental GT Challenge logo W 100mm x H 120mm
MUST BE reserved on the right side or the left side of the chest OR on the right
or left arm.

**This is only for drivers where the Manufacturer is entered in the Intercontinental
GT Challenge. Ferrari, Mercedes-AMG, Porsche, Ford, Corvette, BMW*

PIRELLI PATCHES

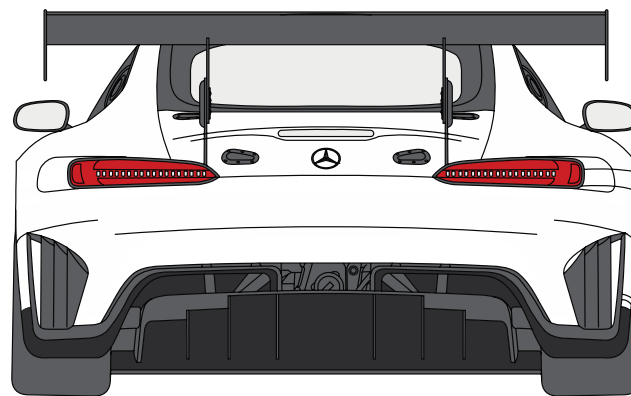

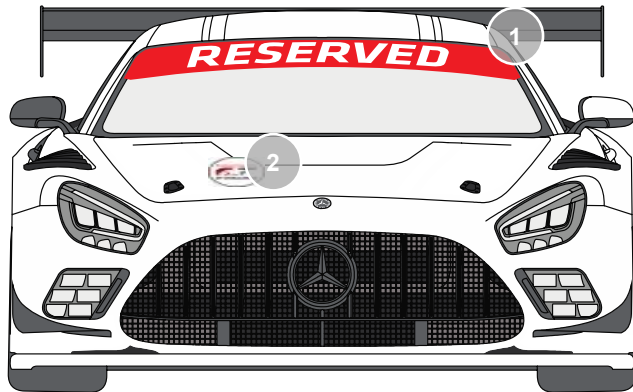

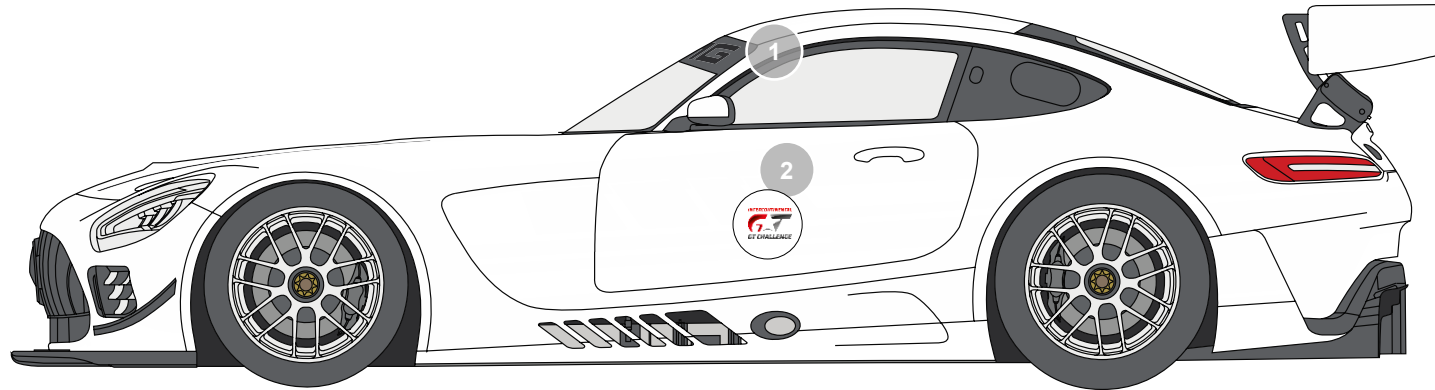

The PIRELLI logo MUST BE adhered to according to Series
regulations. This will be located on the right arm and right side
of the chest. (Exception for the ADAC RAVENOL 24 Hours of
Nurburging). The logo can be above or below the IGTC patch.

LOGO PLACEMENT

*If you are unsure about your logo placement, please send an example to Abi
Hay, Series Manager of IGTC. IGTC patches must be printed or sewed on. We
will not accept the patch to be stuck on with tape.*

CAR DECALS

1

RESERVED AREAS

These spaces are reserved for the event sponsors. Stickers will be distributed on site. Please see the event Graphical Charter. The Event Graphical Charter must be followed for all sticker placements.

2

INTERCONTINENTAL GT CHALLENGE

The Intercontinental GT Challenge logo **MUST BE** located on the right side and left side on the door panels and also on the bonnet of the car. We are flexible on the placement of the stickers understanding current sponsor assignments. If you are unsure, please speak to Abi Hay, IGTC Series Manager.

**This is only for cars where the Manufacturer is entered in the Intercontinental GT Challenge. Ferrari, Mercedes-AMG, Porsche, Ford, Corvette, BMW*
